Operational Information:

- CIG OSINT identified a video by [Personal Info.] on s.37 [Personal Info.] posted around 1400hrs. [Personal Info.] states that Doug FORD has 'completely shit the bed on this one' and begs FORD to come to downtown Ottawa. [Personal Info.] says he will personally walk FORD around so he can meet people and see the peace, love and unity. [Personal Info.] states they want answers and some sort of mandate lift and this will all end. He shouts "just stop with the tyranny already, you've been obviously paid off or some bullshit, go away".[\[1\]](#)
- CIG OSINT located a Facebook live of [Personal Info.] on stage during Freedom Forusall.
- CIG OSINT observed a video circulating on several social media platforms including Bitchute, YouTube, Rumble, Twitter and s.37. The video features Canadian Armed Forces (CAF) member Major Stephen CHLEDOWSKI who appears in the army CADPAT uniform and states government officials have been using fear, intimidation, coercion and financial and physical violence to gain compliance. CHLEDOWSKI speaks out against the government-ordered mandates and restrictions and calls on all of his military and police comrades to stand up and protect their loved ones against 'this government forced medical tyranny'. The member is wearing the 150 year anniversary patch of The Royal Regiment of Canadian Artillery. The video was posted Thursday but is currently getting an uptick in social media attention. CTV News reported a Defence Department spokesman stated the military is aware and 'appropriate action' would be taken.
- OPS are currently working to stabilize a situation at Wellington St. and Bank St., where demonstrators were attempting to install a tent at the intersection.

Operational Planning:

- In light of the fact that the current OPS/RCMP MOA expires on 2022-02-14, LSU has reached into OPS to explore extending this arrangement for a period of two weeks, recognizing that it can be terminated by either party at any time. Commitment remains at 250 RM's.
